Mr. Tom Willi
County Administrator
1100 Simonton Street
Key West, FL 33040

Dear Mr. Willi,

Dixie Spehar suggested that we contact you to request our being included on the Sounding Board at the September 20th commission meeting. We have asked the County Commission to pass an ordinance which would require bars and restaurants in the county to post signage about the risks of drinking alcohol for a pregnant woman. I understand that the Sounding Board is the first step in this process.

Could you please confirm that this is the case and that we will be on the sounding board for this meeting? If there is anything else we need to do at this point, would you please also advise about that.

Thank you very much for your time. If you have any questions, please do not hesitate to call us.

Sincerely,

Arianna Nesbitt
CEO
